

Calling All Volunteers

Zoom Worship...It Takes a Village

It has been wonderful to gather together for worship on Zoom. Each week we learn a little more and get a little better at what we do. Having the service recorded and later broadcast on YouTube and Facebook has enabled many more people to participate.

We need your help to keep it going. Specifically, we need these people: could this be you?

Usher – This person or team manages the coming and going of people on the Zoom account. This person will let people in from the waiting room, monitor people's video and microphone and help folks get & stay connected.

Greeter – This person or team will greet people as they enter from the waiting room and manage the conversation prior to worship so it doesn't go galloping off in weird directions.

Logistics – This person or team will manage all the videos, screen shares and recording on Sunday morning.

Preproduction – This person or team will create the videos and music to be used in worship.

Postproduction – This person or team will take the preproduction videos and the recordings and merge them to create the finished product to be shared on YouTube and Facebook.

Innovation – This person or team will imagine all the different ways we can worship. This new format gives us great flexibility in how worship looks and feels. Where should the worship space be? What does it look like? How can we use illustrations? How do we include more music/singing? Etc.

These jobs sound like fun! Which one is right for you? If you are interested in volunteering, please communicate with Rev. Geary by email: pastoruccmillis@gmail.com, or phone: (774) 993-9407

Trustees Still Looking for Help

There are cleaning jobs at the church that need willing hands to tackle. These are general cleaning projects, not virus deep cleaning.

- walls and woodwork that have scuff marks
- kitchen stove needs cleaning
- pews need washing
- Fellowship Hall blinds/windows need to be dusted and washed

If you need an hour or two away from your house (and who doesn't?), please contact Kathy Stevens at (508) 376-8124 so she can schedule you in.

Assist the Deacons

- Would you like to be a reader at the Sunday service on Zoom?
- Lend your time and talents to be part of the Transition Team as we begin the work in preparation to calling a settled pastor?
- Assist in updating the church membership log?

Millis UCC is heavily involved with **New Life Furniture Bank** in Walpole. Consider joining one of their work teams or volunteer as an individual. New Life provides furnishings to those who are moving from shelter to an apartment/home.

If you are interested in helping, please call or email the church office.
